Alessandro Bonecchi

High School Student (Class of 2025)

Experience

FTC Team Captain
FTC 5206, The Knights of Ni
Spring 2022-Present

Was recently elected Team Captain as our previous captain is graduating this year. This has helped me to not only be a good computer scientist, but also a leader.

Software Leadership
FTC 5206, The Knights of Ni
Fall 2021-Spring 2022

In my time at this position, I found, researched, and applied ML-powered solutions to various problems, notably in the field of computer vision.

Education

Stanford Online High School
Fall 2021-Present
AP Calculus BC (A)
AP Computer Science A (A)
Honors Physics (A)

Modesto Junior College
Fall 2021-Present
Spanish 109 (A)
Spanish 110 (A)

Other: Stanford Summer Institutes
Summer 2021

Course in Biology Research: Presented work on the connection between gastrointestinal and mental health.
